

The SureColor SC-F500 is designed to help businesses expand their product offering, and is Epson's first 24-inch, dye-sublimation printer

Whether producing printed phone covers, mugs, mouse mats, t-shirts or cushions, the SC-F500 offers fast turnaround times, reliability and a low total cost of ownership (TCO) to small businesses, requiring no specialist knowledge to set up, operate or maintain. To keep businesses agile and responsive to customer needs, this dye-sublimation printer has been built with ease of use, productivity and efficiency in mind.

Flexibility of applications

The SC-F500 has been designed to expand business opportunities with high-quality printing on a wide range of gifts and promotional goods.

Enhanced productivity

Epson's refillable ink solution (140ml ink bottles) makes refilling an easy, non-specialist operation; you can even refill while printing. This enables business to keep running for longer, thereby reducing any downtime.

Easy to use

Epson's technologies are simple to use and highly intuitive. It boasts a 4.3-inch touchscreen, Wi-Fi connectivity and automatic media changeover functionality, which make printer usage and maintenance a non-specialist activity.

The complete end-to-end Epson printing solution

Epson printer products are designed to work in perfect harmony. We offer the complete solution that includes: Epson inks, papers, software... and, of course, the SC-F500 printer.

KEY FEATURES

- **Refillable ink solution**
140ml ink bottles can be used, even while printing
- **Anti-dust design**
Prevents misprints due to nozzle clogging, or time-consuming cleaning cycles
- **Auto switch between media**
Switch between cut sheets and roll media with ease
- **Wi-Fi connectivity**
For ease of use; this is a first for Epson's dye sublimation range
- **Accounting tool**
Easy to use software to accurately calculate print costs
